## RULES OF BOTH HOUSES OF PARLIAMENT RESPECTING THE LIBRARY OF PARLIAMENT.

A proper Catalogue of the Books belonging to the Library shall be kept by the Librarians in whom the custody and responsibility thereof shall be vested ; and who shall be required to report to the Houses through Mr. Speaker, at the opening of each Session, the actual state of the Library.

No person shall be entitled to resort to the Library during the Session of Parliament except the Governor General, the members of the Privy Council, and of the Senate and House of Commons, and the Officers of both Houses, and such other persons as may receive a written order of admission from the Speaker of either House. Members may personally introduce strangers to the Library during the day-time, but not after the hour of seven o'clock, P. M.

During a Session of Parliament no books belonging to the Library shall be taken out of the building, except by the authority of the Speaker or upon receipts given by a member of either House.

During the recess of Parliament, the Library and Reading Room shall be open every day in each week, Sundays and Holidays excepted, from the hour of ten in the morning until three in the afternoon ; and access to the Library shall be permitted to persons introduced by a member of the Legislature, or admitted at the discretion of the Librarians ; subject to such regulations as may be deemed necessary for the security and preservation of the collection ; but no one shall be allowed to take any book out of the Library except members of the Legislature, and such other as may be authorized by the Speaker of either House.

During the recess of Parliament, no member of either House not residing at the seat of Government shall have liberty to borrow or have in his possession at any one time more than three works, from the Library, or to retain the same for a longer period than one month.

No other person who may be privileged by card, by the Speaker of either House, to borrow books, from the Library, shall be allowed to have in his possession more than two books at any one time, or to retain the same longer than three weeks, and all such persons shall return the books so taken when required by the Librarians.

No books of reference or books of special cost and value may be removed from the seat of Government under any circumstances.

At the first meeting of the Joint Library Committee at every Session of Parliament, the Librarians shall report a list of the books absent at the commencement of the Session, specifying the names of any persons who have retained the same in contravention of either of the foregoing Rules.

## RÈGLEMENTS CONCERNANT LA BIBLIOTHÈQUE.

Un catalogue des livres de la Bibliothèque est tenu par les Bibliothécaires qui en ont la garde et la responsabilité ; ils doivent faire rapport à la Chambre, par l'entremise de M. l'Orateur, à l'ouverture de chaque Session, de l'état dans lequel se trouve la Bibliothèque.

Aucune personne ne peut avoir accès à la Bibliothèque, pendant les Sessions du Parlement, si ce n'est le Gouverneur Général, les membres du Conseil Privé, ceux du Sénat et de la Chambre des Communes, les Officiers des deux Chambres, et toute autre personne qui obtient un billet d'admission de l'Orateur de l'une ou de l'autre Chambre. Les membres peuvent en personne introduire des étrangers dans la Bibliothèque pendant le jour, mais non après sept heures P. M.

Pendant les Sessions du Parlement aucun livre de la Bibliothèque ne peut être emporté de l'édifice, excepté sur l'autorisation de l'Orateur, ou lorsqu'un membre de l'une ou de l'autre Chambre en donne un reçu.

Pendant la vacance du Parlement la Bibliothèque et la Chambre de Lecture sont ouvertes tous les jours de chaque semaine, excepté les dimanches et jours de fête, depuis dix heures du matin jusqu'à trois heures de l'après-midi ; et la Bibliothèque est ouverte aux personnes introduites par un membre de la Législature, ou admises à la discrétion des Bibliothécaires, sujettes aux règles qui sont jugées nécessaires pour la sûreté et la conservation des livres, mais il n'est permis à qui que ce soit, si ce n'est aux membres de la Législature et aux autres personnes ayant l'autorisation de l'Orateur de l'une ou de l'autre Chambre, d'emporter un livre hors de la Bibliothèque.

Durant les vacances du Parlement, aucun membre de l'une ou de l'autre Chambre ne résidant pas au siège du gouvernement, n'aura le droit d'emprunter ou de garder en sa possession plus de trois ouvrages à la fois ; de plus, il ne devra pas les garder plus d'un mois en sa possession.

Aucune des personnes ayant le privilège—sur la foi d'une carte du président de l'une ou de l'autre Chambre,—d'emprunter des livres à la Bibliothèque, ne pourra avoir en sa possession plus de deux ouvrages à la fois ou les garder plus de trois semaines, et toutes ces personnes devront remettre les livres ainsi empruntés, lorsqu'elles en seront requises.

Aucun livre de référence ouvrage de luxe et de prix ne pourra être emporté du siège du gouvernement pour aucune considération.

A chaque Session du Parlement, les Bibliothécaires devront, à la première assemblée du comité mixte de la Bibliothèque, soumettre une liste de tous les livres qui n'ont pas encore été remis au commencement de la Session, en spécifiant les noms des personnes qui auront gardé ces livres contrairement aux règles qui précèdent.

In addition to the foregoing rules, the Joint Library Committee have agreed to the following New Rules, to which the attention of persons frequenting the Library, or making use of any books belonging thereto, is specially requested.

1. It is strictly forbidden to make any mark, by pencil or otherwise, in any books belonging to the Library, or to turn down leaves therein, or otherwise deface the same.
2. No person (other than a member of Parliament) is permitted to have access to any of the Galleries surrounding the Library, without the express permission of the Librarian or unless accompanied by an officer of the Library.
3. No visitor shall be permitted to remain in the Library with his hat on ; nor will smoking, or spitting on the floor or carpet be permitted, in any of the Library apartments.
4. No audible conversation will be allowed in the reading room ; nor shall any person be permitted to partake of refreshments therein ; and no dogs shall be allowed in the Library.

Outre les règles qui précèdent, le Comité de la Bibliothèque a recommandé l'adoption des règles suivantes, dont toutes personnes fréquentant la Bibliothèque ou faisant usage des livres qui la composent sont priés de prendre connaissance :

1. Il est strictement défendu de faire aucune marque, au crayon ou autrement, dans un livre appartenant à la Bibliothèque, d'en plier les feuilles ou de le défigurer d'aucune autre manière.
2. Personne, à l'exception des membres du Parlement, ne pourra monter dans les galeries sans la permission expresse du bibliothécaire, ou sans être accompagné de quelque employé de la Bibliothèque.
3. Aucun visiteur ne pourra garder son chapeau sur sa tête ; personne ne pourra fumer, ni cracher sur le parquet ou le tapis d'aucune des chambres de la Bibliothèque.
4. On ne pourra converser à haute voix dans la chambre de lecture ; on ne pourra non plus se permettre d'y manger. On ne laissera pas entrer de chiens dans la Bibliothèque.

REPORT  
OF THE  
JOINT LIBRARIANS OF PARLIAMENT

# REPORT OF THE LIBRARIANS FOR 1907.

*To the Honourable the Speaker of the Senate:*

*To the Honourable the Speaker of the House of Commons:*

The Joint Librarians of Parliament have the honour to present their report for the year 1907.

During the recess, further attempts have been made to rearrange the departments most congested, and to afford easier access to the books.

The Librarians have been led to expect that some space will be placed at their disposal in the addition to the House of Commons now under construction. This would, in some measure, relieve the congested state of the Library, but it is feared that in a short time, the same difficulties under which they now labour would reappear. It is, therefore, the Librarians' duty to call the attention of Parliament to the urgent necessity of providing more space to meet the demand of our valuable national collection of books, by executing the plan prepared for that purpose by the chief architect of the Department of Public Works.

Public events have been, as usual, followed with care by the Librarians, and the necessary information collected for the use of Members.

The statistics of the Library will, according to promise, in the last report, be placed before the Library Committee at its first meeting.

The Librarians have endeavoured to provide copies of all the publications of the new Provinces, for the use of the Members.

It is the duty of the Librarians to bring under the notice of Parliament the fact that some Members of both Houses keep the books lent them for a period of time longer than allowed by the Library regulations. In many cases, important works called for by other Members, have been kept out of the department for several years, despite pressing requests for their return.

The annual catalogue of accessions is nearly ready, and will be presented earlier than usual.

The list of donations and copyrights are hereto annexed as usual.

All of which is respectfully submitted.

A. D. DECELLES, *G.L.*

M. J. GRIFFIN, *P.L.*

LIBRARY OF PARLIAMENT,

November 28, 1907.

# RAPPORT DES BIBLIOTHÉCAIRES POUR 1907.

*A l'honorable Président du Sénat :*

*A l'honorable Président de la Chambre des Communes :*

Les bibliothécaires conjoints du parlement ont l'honneur de présenter leur rapport pour l'année 1907.

Durant la vacance, l'on s'est efforcé de placer les ouvrages de façon à les rendre accessibles là où il y avait encombrement.

Les bibliothécaires ont lieu d'espérer, d'après des promesses qui leur ont été faites, que l'on mettra à leur disposition un certain espace dans le corps de la bâtisse que l'on ajoute en ce moment à la Chambre des Communes. Ceci diminuerait, dans une certaine mesure, l'encombrement qui existe à la bibliothèque, mais il est à craindre qu'avant longtemps, on se trouve encore en présence des mêmes difficultés. Il est donc du devoir des bibliothécaires d'attirer de nouveau l'attention du parlement sur l'urgence qu'il y a d'agrandir la bibliothèque, en mettant à exécution le plan préparé à cette fin par l'architecte en chef du département des Travaux publics.

C'est ce que requiert notre précieuse bibliothèque nationale.

Selon leur habitude, les bibliothécaires ont suivi avec soin le développement des événements publics et recueilli les documents qui s'y rapportent pour l'usage des députés.

Selon une promesse faite à la dernière session, les statistiques de la bibliothèque seront mises devant le comité de la bibliothèque à sa première séance.

Les bibliothécaires se sont efforcés de se procurer tous les documents publics des nouvelles provinces pour l'usage des députés.

Les bibliothécaires croient de leur devoir d'attirer l'attention du parlement sur le fait que certains membres des deux Chambres gardent en leur possession les ouvrages qui leur sont prêtés, au delà du temps permis par les règlements de la bibliothèque. Dans bien des cas, des ouvrages importants, demandés par d'autres membres, n'ont pu être mis à leur disposition, en dépit des réclamations faites pour que ces prêts fussent rendus.

Le catalogue annuel des livres nouveaux est presque terminé et sera distribué aux membres du parlement plus tôt qu'à l'ordinaire.

La liste des dons faits à la bibliothèque ainsi que celle des ouvrages déposés, en vertu de la loi concernant la propriété littéraire, se trouvent annexées au présent rapport.

Le tout respectueusement soumis.

A. D. DECELLES,

*Bibliothécaire général.*

 Young (J.R.). Navigation and Astronomy. 1882.  
 Besides some 20 military text books on Drill, &c.

NOTE.—Little could be gleaned about the late Mr. Barlow, beyond the fact that he was from London (Eng.), and coming to Ontario, lived for some 20 years in comparative seclusion with a farmer—Mr. Sullivan—at Dunrobin, wrapped up in his military and naval studies. At his decease he bequeathed the result of his labours and his collections of books, to the Library of Parliament.

His manuscripts display considerable skill in execution, as well knowledge of the science of Navigation and Warfare upon which he chiefly writes. They are neatly illustrated throughout with pen sketches and brush colours.
